Since Cipher Auto's inception, developing seats with maximum comfort, structural integrity to last and at the most competitive prices for car enthusiast has always been the motto! We have been able to build our seats with the best steels available coupled with the highest quality material in the market. Whether you have chosen our fabric or ultra-light weight leatherette line, you can not go wrong. These seats are built with the driver in mind with a range of colors that will be suitable for virtually every vehicle.

RACING HARNESSSES

Cipher Auto strives to provide excitement and safety for our car enthusiast. There are numerous types of automotive activities from road racing, drag racing, dirt road racing, and many others. All of these activities have one thing in common, safety is a priority. These belts have been tested and approved to withstand accidents, collisions, and mechanical failure. Cipher racing harness comes with various options tailored to fit any driver. From 5-point SFI certified, 2" or 3" high-strength nylon, submarine option, quick release, cam-lock, snap and hook, and in every main color within the spectrum.

ACCESSORIES

HARNESS PAD 2"/3"

Cipher Auto makes harness pads to go with our racing harness in both 2" and 3". Racing harness tends to rub against your neck and shoulders causing both annoyance and discomfort after long periods of driving. Our harness pads are made with extra comfort and padding between your straps and body. Driving should be fun and comfortable!
