EXTERIOR ACCESSORIES

PROJECTOR HEADLIGHTS

RECON Projector Headlights are sold as a set and use separate headlight bulbs for both Low-Beam and High-Beam. RECON projector headlights come with 4 standard halogen bulb already installed; however, they can be upgraded to either XENON gas-filled bulbs or HID's if the vehicle is being used off-road.

All RECON Projector Headlights are equipped with LED Halos around the Low-Beam projector & the High-Beam reflector housing & have LED Daytime Running Lamps installed.

Our commitment to quality is evident in the fit & finish of our Projector Headlights. We encourage you to "Get Lit" & set your truck apart from the crowd with our Projector Headlights today.

XENON HEADLIGHT BULBS

gen2 XENON HEADLIGHT BULBS

RECON's Gen II XENON Headlight Bulbs are NOW AVAILABLE!!! We've been busy revising & improving the XENON gas formulation in our XENON Headlight Bulbs and are finally in stock and ready to ship. The light output & beam pattern has been greatly improved over our Gen I version through the use of a revolutionary XENON gas formulation made exclusively by RECON.

LED RUNNING LIGHT BARS

What makes this bar different from the rest? It functions as an amber running light that stays illuminated while the headlights are on, functions as a turn signal when the blinker is activated and functions as a courtesy light source when door is opened.

The entire bar blinks 6x brighter when the turn signals are applied.

- Functions as:**
- Amber LED Running Lights
 - Amber Turn Signals
 - White Courtesy Lights

P8

RECON clear and smoked L.E.D. 3rd brake lights are simple to install and are a direct replacement for your OEM factory installed brake lamp.

RECON L.E.D. lighting products feature only the brightest L.E.D.'s. RECON L.E.D.'s last up to 80 times longer and are up to 10x brighter than other L.E.D.'s commercially available. RECON goes the extra mile to be the best and it shows.

- Simple plug and play installation
- No splicing or cutting of wires (on most applications)

BILLET ALUMINUM DOOR SILLS

RECON's New Billet Aluminum Illuminated Door Sills feature E.L. (Electroluminescence) which illuminates in either RED or BLUE when any of the vehicles doors are opened. When the doors are closed, the E.L. returns to the off position until either the main interior dome light switch is activated or any of the vehicles doors are opened again.

RECON Billet Aluminum EL Door Sills Feature:

- Sold as a 2pc Set for Both Left & Right Doors
- Front & Back Door Kits are Sold Separately
- Rugged EL Electroluminescence 12V Power Supply
- Complete Hardware Kit for Simple Installation
- Available with Black or Brushed Aluminum Finish
- Available with RED or BLUE Electroluminescence
- Officially Licensed by Ford Motor Company
- Exclusively Made by RECON Truck Accessories

RECON VEHICLE RECOVERY · RECON VEHICLE RECOVERY · RECON VEHICLE RECOVERY

RECON is a manufacturer of premium quality truck accessories. Our products are available through reputable warehouse distributors, vehicle accessory specialty shops, & catalog/internet retailers who in turn provide the best service to consumers, offering the widest selection of inventory and quick delivery.

RECON products are made with a single 5-step philosophy - (1) make them right, (2) make them look good, (3) make them last, (4) offer them at a competitive price, and (5) back them with a superior warranty. This straightforward business philosophy has made RECON one of the most widely respected and universally chosen brands of innovative truck accessories in the United States.

So, whether you drive on the snowy roads of Canada, the twisting roads of the high Sierras, the sweltering roads of the southern states or 4x4 without a road, RECON products enhance the look of your rig and do it for a long, long time.

RECON's corporate facility is located in sunny Florida. This facility houses research & development, marketing, and the executive staff. To better service our customers, regional representatives operate in locations across the country. We encourage you to contact us by phone or e-mail if we can be of further service.

RECON POWERSPORTS

RECON Powersports is your source for unique aftermarket lighting for your Motorcycle, ATV, UTV, Side-X-Side, Sand Rail, or Snowmobile. Light'em Up & Get Lit w RECON Today!

RECON Powersports is dedicated to manufacturing & distributing the best aftermarket lighting the motorsports & powersports industry has ever seen. RECON Powersports has been developed to meet the specific needs of the most demanding motorsports & powersports enthusiasts. RECON Powersports products are made using only the finest quality materials selected by lighting experts who happen to also be motorsport fanatics. RECON Powersports is comprised of people who have an insatiable passion for motorsport whether it be carving corners on superbikes, flying over desert dunes with ATV's & Sand Rails, wheeling over whoop-dee-doo's on a motocross bike, exploring trails long after the pavement ends on a dual sport, or eating up miles of tarmac on a sport tourer or cruiser. We know what you demand and expect of a premier aftermarket lighting manufacturer, and we are here to provide it.

RECON Truck Accessories wants to thank all of the men and women in our military that are fighting for the safety of this great country. We truly appreciate the work, the effort and the sacrifice the members of our armed forces are doing. Thank you for protecting our country and freedom.
