ABOUT ALPHAREX

AlphaRex™ specializes in designing and manufacturing superior automotive aftermarket performance lighting. Our goal is to produce lighting products, and technology, that are unrivalled. With our revolutionary PATENTED full L.E.D technology, our Nova-Series L.E.D headlights mark the debut of our distinctive brand. We will persist with our philosophy of innovative technology and uniquely stylish designs in order to bring the very best to the automotive aftermarket industry.

AlphaRex™ is now accepting wholesale distribution partners. We believe that in order to reach the broad mainstream aftermarket audience, we need to partner with reputable Warehouse Distributors to stock and promote our supreme brand and unique products. Therefore, we have set-up a discount structure for our NOVA-Series L.E.D headlights with MAP pricing exclusively for our wholesale customers. We intend to protect, not compete with, our distributors. In order to be the best Vendor partner, we believe that we should put our efforts in to developing and improving our products and technology. So, our authorized distributors can focus on reaching out to your valued Jobbers and potential buyers. AlphaRex looks forward to working with you and your team!

At AlphaRex™, we believe that unsurpassed quality and originality is the key to stay above the competition, and it is our mission to bring much sought-after advanced products to our customers. With 20 years of manufacturing experience, our factory is without a doubt the pioneer of the performance lighting industry, and capable of successfully designing and manufacturing lighting products for our ever-evolving industry. We design our lights from scratch, patent every component we've designed, and guarantee that our products are compliant with the SAE and DOT requirements. Our products are also certified to ISO-9000, ISO-9001 and ISO-9002 standards. We inspect every detail of our lights to ensure that our customers are more than satisfied with every detail. We strongly believe that excellent customer service and technical support is the key to success; and our team is ready to answer any questions you might have to ensure our customers (and yours) have unparalleled service and satisfaction.
