BOX TYPE VISUAL GUIDE

STANDARD BOX TYPES

SINGLE LID

Single, one-piece lid with piano hinge that runs the length of the box.

STANDARD CUFF

Full-size 5" cuff affords more small parts partition storage space.

STANDARD TUB

Standard tubs leave a moderate amount of space in the truck bed below the box.

TWO-LID

"Gullwing" style double doors allow access to the box from either side.

LOW PROFILE

2" cuff height enables greater visibility from the rear cab window.

DEEP TUB

Deep tub stretches further down into the truck bed, equating to more box space.

THIS IS A GREAT BOX.

"I had a pickup truck tool box from one of the big box stores. It never closed on both sides at the same time. The lock was finicky and took several minutes to unlock or lock.

"Then my sons bought me a Better Built box for my birthday. It's like going from a '63 Volkswagen to a Cadillac. It closes perfect on both sides; the locks work as intended. A great feature is that you can unlock and open the box from either side, but after closing, the opposite side lock stays in the locked position so that you don't have to go around to lock the other side. This is a great box."

Available in both single and two-door configurations, the Better Built Dog Box is made from the same dependable lightweight diamond plate aluminum as our trend-setting truck boxes. Vented side panels allow for greater air flow throughout the box. The open-bottom design allows for easy truck bed cleaning.

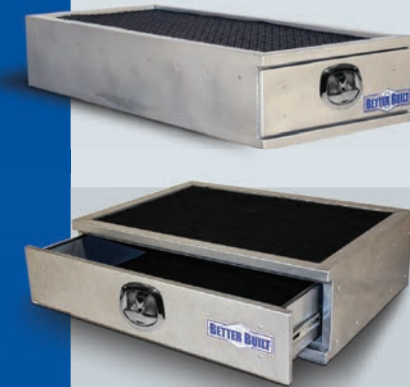

SLANT LID RV BOX

On the go? Take it with you in one of our Slant Lid RV Boxes. Like our durable truck chests, the Slant Lid RV Box fits securely in the back of your RV, truck, camper or fifth wheel.

SUV DRAWER BOXES

Ideal for keeping your gear out of sight and safely secured in your SUV. Made of rugged aluminum with a corrosion-resistant powder coated finish, it will provide years of reliable security. Available for both midsize and fullsize SUVs.

MULTI CHUTE GAME FEEDER

The Better Built Multi Chute Game Feeder features eight feeder chutes (four per side), a locking, weather resistant lid, and durable, powder coated aluminum construction, with a feed holding capacity of 600 lbs and an empty weight of just 135 lbs.

*4x4 WOOD NOT INCLUDED

TRAILER TONGUE BOX

A box "trailer-made" for your horse or utility trailer. Great for storing tie downs, wheel chocks and other various towing items. Includes auto-lift shocks for ease of opening. Fits perfectly on most trailers.

V-TOP RV BOX

Our V-Top boxes give you twice the convenience in a single, easy to install box. The deep center V-channel provides clear access for hooking up gooseneck trailers. Box contents are easily accessible, no matter which side you're on.

AWESOME!

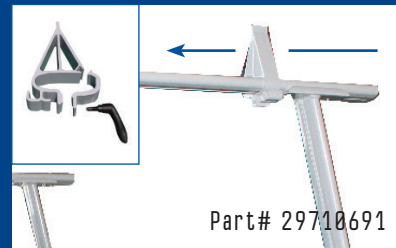

"I must say, great product. Very easy to install in any SUV. All my tools are now locked in the drawer securely in the trunk."

- Sean Michael Walsh

QUALITY

"I bought my first one in 2004 for my Refrigeration Service Truck, and it fit in the service bed perfectly. I sold the truck and box to my brother for his Trucking Company in 2006, and he used the box to secure large tools. He then sold the truck and box to my nephew for his electrical company in 2010 and he still uses it. It's still in excellent shape. You can't get a better deal on that quality."
