# BETTER STORAGE SOLUTIONS. BUILT TO PERFORM.

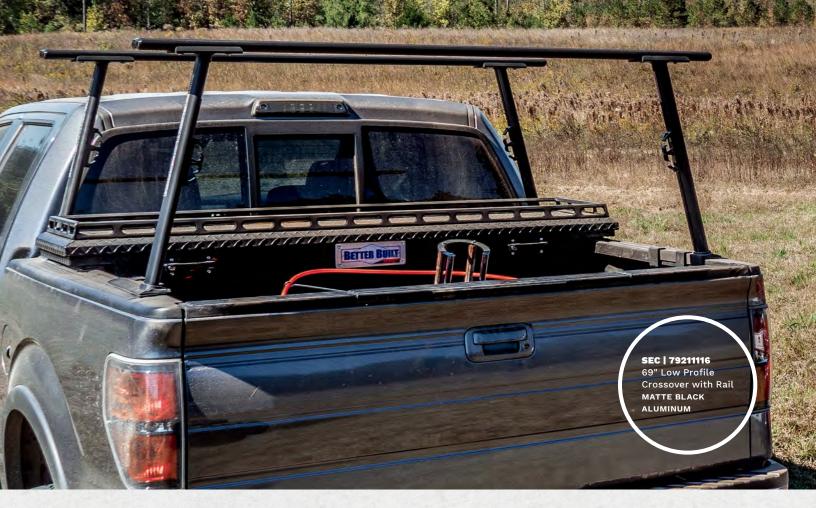

For over two decades, we have taken pride in our products and dedication to quality. Innovation, quality products, customer service and a philosophy of responding to our customers' needs are among the many reasons Better Built has become a leader in the aftermarket truck accessory industry.

Simply put, Better Built means a higher standard in everything we do.

That's why we would like to personally invite you to become part of the Better Built Family. When you do, you will experience what truly makes our products and company the best in the industry. Give us a call today or place an order online and you'll know why "The name says it all!"

H.C. Daws, President and CEO
Daws Manufacturing Company, Inc.

#### **PROFESSIONAL CROSSOVER & SIDE MOUNT BOXES**

#### FEATURES

<sup>3</sup>/<sub>16</sub>" comfort formed pad lockable stainless steel latch actuator plate. Easy slide operation for open or closed gloved hand, elbow and even knee actuation.

Deep key recess to reduce tampering. Pad lock blockable for additional security.

Multiple pad lock positions for added security.

Oversized  $^{3}/_{16}$ " backer plate to eliminate pull out.

Locked actuation bypass for single side opening.

Extreme duty 4-stage rotary latch, with ¼" thick forged rotary catch and paw.

Bolted in and removeable 0.0598" latch rail. Fully contained latch rail to prevent inside object interference or actuation.

Completely serviceable latch rail.

Full length integrated hinge (hinge is made as part of the lid and body) with heavy duty, stainless steel hinge pin.

1/4" U shaped striker for added security and strength.

NEMA style lid enclosure.

Bungie cord tiedown points in the lid for lighter objects like rain jackets, towels, etc. Heavy duty ¼" rivet nut attachment points for accessories and side mount tool box brackets.

Protected/isolated auto-lift gas shocks.

Cast aluminum Better Built Professional

Badging for a truly industrial pickup truck
tool box appearance.

Included mounting kit.

Limited Lifetime Warranty.

# STAINLESS STEEL ACTUATOR LATCH

The Professional
Series latch is 3/16"
thick, comfortformed, and features
an integrated lock
cylinder. As an option,
the latch is designed to
accommodate a padlock
for additional security.
Its easy operation works
from the push of an open
or closed gloved hand,
elbow, or even knee.

#### EXTREME DUTY 4-STAGE ROTARY LATCHES

1/4" thick forged rotary catch and paw provides maximum security and strength while providing reliable and smooth action.

#### 1/4" U-SHAPED STRIKER

The U-Shaped Striker is built for added security over a straight one, and its thickness provides greater strength.

#### **16-GAUGE LATCH RAIL**

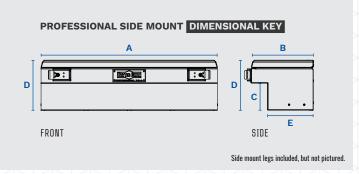

Bolted in and removable, the fully contained latch rail prevents inside object interference or accident actuation.

48" Side Mount	48"	17"	7½"	13½"	121/2"

#### INTEGRATED FULL-LENGTH PIANO HINGE

The full length hinge is made as a part of the lid and body, and is better built with a heavy duty, stainless steel hinge pin.

#### DUAL C-CHANNEL LID BRACE

Better Built utilizes a two piece, dual brace lid that prevents bowing in the middle of the lid and provides greater structure and strength. Additionally, the full pan lid is fully welded.

## ISOLATED AUTO-LIFT GAS SHOCKS

Professional
Series gas shocks
automatically lift the
strong, durable lid,
and are protected
from the box's
contents by stout
isolation covers.

#### PREMIUM WEATHER STRIPPING & NEMA ENCLOSURE

The patent pending Slam NEMA seal not only keeps wet weather out of your box, but also provides protection from solid dirt and windblown dust.

# BUNGIE CORD TIE DOWN POINTS

Keep lighter cargo like clothing, drop cloths, and towels secure by utilizing these tie down points inside the lid.

# RIV NUT ATTACHMENT POINTS

Attachment points make adding and adjusting accessories for your Professional Series box easier and more sturdy.

# EXTRA STRENGTH PADDLE LATCH

Our newest paddle latches are built to tougher standards, and are exclusive to the Professional Series Top Mounts and Under Bodies.

#### EXTRA STRENGTH 3-POINT LATCH

A robust design, the 3-point latch provides the heavy duty security and reliability expected in an industrial grade contractor's box.

#### INTEGRATED HINGE

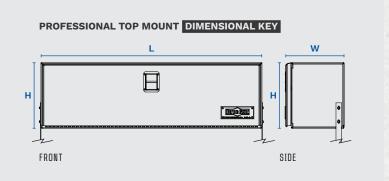

The full length hinge is made as a part of the lid and body, and is better built with a heavy duty, stainless steel hinge pin (steel models only).

#### **SLAM NEMA SEAL**

The patent pending Slam NEMA seal not only keeps wet weather out of your box, but also provides protection from solid dirt and wind blown dust.

DUTY GRADE. INDUSTRY PROVEN.

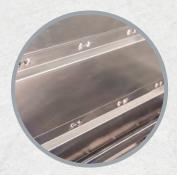

#### 4-STAGE AUTOMOTIVE-GRADE ROTARY LATCH

Know the contents of your box are secure and protected by the sound of four satisfying clicks.

#### BILLET PUSH BUTTON LOCKS

Push button locks allow for easy singlehanded opening from either side of the truck tool box, and close with little effort.

#### DUAL C-CHANNEL LID BRACE

A two piece, dual brace lid that prevents bowing in the middle of the lid provides greater structure and strength.

#### PLASTIC STORAGE TRAY

This small parts storage tray is a great fit for your organizational needs. Lock it into place or remove it for use at any job location.

## **75 GALLON BRITE ALUMINUM**

These transfer tanks are designed and manufactured to be used as a liquid transfer tank **ONLY.** These are **SOLELY FOR PRIVATE USE** and not for interstate commerce or

as an auxiliary fuel tank to be connected to your vehicle's primary fuel system. Their intended use and design **DOES NOT** meet Title 49 of the U.S. Federal Register, governing transportation. These tanks MUST BE VENTED AT ALL TIMES to allow for expansion and to prevent any vacuum formation during liquid removal. These Liquid Transfer Tanks are intended for use with combustible fuels only (such as diesel fuels). These tanks **DO NOT MEET** Department of Transportation regulations for flammable fuels (such as gasoline).

**ALL TANKS ARE 100% QUALITY INSPECTED** WITH DUAL PRESSURE AND LEAK TESTS.

### WHEEL WELL GUN BOX

Transport your hunting rifles in style with our sleek, durable Wheel Well Gun Box. Made to the same standards as our truck boxes and notched to fit over almost any wheel well, the 5" thick dualslotted foam interior safely accommodates two full-size rifles.

### MULTI CHUTE GAME FEEDER

The Better Built Multi
Chute Game Feeder
features eight feeder
chutes (four per side),
a locking, weather
resistant lid, and durable,
powder coated aluminum
construction, with a feed
holding capacity of 600
lbs and an empty weight
of just 135 lbs.

### **DOG BOX**

Available in both single and two-door configurations, the Better Built Dog Box is made from the same dependable lightweight diamond plate aluminum as our trend-setting truck boxes. Vented side panels allow for greater air flow throughout the box. The open-bottom design allows for easy truck bed cleaning.

### TRAILER TONGUE BOX

A box "trailer-made" for your horse or utility trailer. Great for storing tie downs, wheel chocks and other various towing items. Includes autolift shocks for ease of opening. Fits perfectly on most trailers.

### **ACCESSORIES & GEAR**

**Grip-Rite® Mounting Kit** 29510402 Don't drill holes in your truck. Use our Grip-Rite truck box mounting system to install your truck tool box without damaging your truck bed.

**HD Mounting Kit** 24201631 No drill, easy installation for your Better Built box. Compatible with Toyota trucks featuring the Toyota Track System. For others, please use the Grip-Rite kit.

**5 Pocket Organizer Tray** Made of durable plastic, the 5 Pocket Tray is great for keeping small items organized and easily accessible. Fits most standard size truck boxes.

**HD Tote Tray** Provides organization and easy management for smaller tools. Tray locks into place, can be utilized as a tool/parts tote and be taken out of the box to be used at any job site.

**Truck Box Mat** 29410017 Keep your items from sliding around in your truck box. This liner has a soft finish to protect your items from damage. Can be cut to fit any size box.

**Diamond-Brite® Polish** 29810184 Give your truck box a showroom shine, and keep it looking great for years to come. Also works great on any non-coated metal material, 8 oz.

**LED Truck Box Light** 29510016 Bright white LED truck tool box light comes with three settings, and attaches with a magnet or with a clip. Requires 3 AA Batteries (not included).

Easily mounts onto any truck box. Provides a durable cleat tiedown for attaching rope or bungee cord. Made from durable, rust-proof cast aluminum powder coated finish.
