## **5145** **JEEP WRANGLER** DOOR STORAGE BAR

- 1" square tube and 4mm steel plates
- Works with both factory and aftermarket doors
- Fits TJ, JK, JL, and JT models
- Holds up to two doors
- Includes mounting hardware to mount on wall
- Two-stage gloss black powdercoat

# JEEP JL & JT BUMPERS

FULL WIDTH FRONT BUMPER | JEEP GLADIATOR JL

## **JL-19534**

### **2007-2022 JEEP WRANGLER JL, WRANGLER JK, & GLADIATOR JT**

#### **FULL WIDTH FRONT BUMPER**

- Full-width design
- 3/16" steel plate
- Fits factory fog lights (except steel bumper pkg)
- Two welded D-ring mounts
- 12,000lbs winch capacity (fits warn zeon winches)
- Optional grille guards (JL-5124 or JL-5125) and skid plate available (JL-5123)
- Two-stage powdercoat light texture finish in black

**JL-19532**  
**2007-2022 JEEP WRANGLER JL, WRANGLER JK, & GLADIATOR JT**  
MID STUBBY FRONT BUMPER

- Mid-width design allows clearance for larger tires
- 3/16" steel plate
- Fits factory fog lights (except steel bumper pkg) or LED cube lights
- Two welded D-ring mounts
- 12,000lbs winch capacity (fits warn zeon winches)
- Optional grille guards (JL-5124 or JL-5125) and skid plate available (JL-5123)
- Two-stage powdercoat light texture finish in black

**JL-2965**  
**2018-2022 WRANGLER JL**  
FULL WIDTH REAR BUMPER

- 3/16 Steel plate construction
- Wrap-around design fits both factory and aftermarket flares
- Bolt-on license plate frame with DOT approved light
- Optional tire carrier 5298 sold separately
- Retains OEM tow hitch
- Accommodates OE rear parking sensors
- LED cube light cutouts
- Two-stage powdercoat light texture finish in black

# JEEP JL & JT BUMPER ACCESSORIES

## JL-5124

### 2018-2022 JEEP WRANGLER JL & GLADIATOR JT

#### TUBE GRILLE GUARD

- 2" Steel tube construction
- Bolt-on design for all bodyarmor JL front bumpers
- Welded light tabs
- Two-stage powdercoat light texture finish in black

## JL-5125

### 2018-2022 JEEP WRANGLER JL & GLADIATOR JT

#### FABRICATED GRILLE GUARD

- 3/16" Steel plate construction
- Bolt-on design for all Body Armor JL front bumpers
- 18" Single row light opening
- Two-stage powdercoat light texture finish in black

FABRICATED GRILLE GUARD | JEEP JL

**JL-5123**  
**2018-2022 JEEP WRANGLER JL & GLADIATOR JT**  
FRONT BUMPER SKID PLATE

- 3/16" Steel plate
- Bolt-on design for all Body Armor 4x4 JL front bumpers
- Protects undercarriage and electronic sway bar disconnect on Rubicon models
- Two-stage powdercoat light texture finish in black

# JEEP JT REAR BUMPER

REAR BUMPER | JEEP GLADIATOR JT

## **JT-2965** **2019-2022 JEEP GLADIATOR JT** REAR BUMPER

- 3/16" steel plate
- Wrap-around design
- Retains OEM tow hitch
- Accommodates OE rear parking sensors
- Two welded D-ring mounts
- LED cube light cutouts
- Optional side step JT-5100 and bed protector JT-5101 sold separately
- Two-stage light texture finish in black

**JT-5100**  
**2019-2022 GLADIATOR JT**  
BUMPER STEP

- 3/16" steel plate
- Bumper step for JT-2965
- Bolt-on design
- Uses factory frame mounting holes for extra support optional bed
- Protector JT-5101
- Two-stage light texture finish in black

**JT-5101**  
**2019-2022 GLADIATOR JT**  
BED PROTECTOR

- 3/16" steel plate
- Bed protector requires JT-2965 and JT-5101
- Bolt-on design
- Fits factory and most aftermarket fender flares
- Two-stage light texture finish in black

# JEEP JT & JT FENDER FLARES & LINERS

FENDER FLARES & FENDER LINERS | JEEP JL

## **JL-6102** **2018-2022 WRANGLER JL & GLADIATOR JT** FRONT FENDER FLARES

- 3/16" steel plate
- Front flare set
- High clearance flat design
- Provides 7" of coverage
- Includes dot approved switch back driving light
- Two-stage powder coat light texture finish in black

## **JL-6103** **2018-2022 WRANGLER JL** REAR FENDER FLARES

- 3/16" steel plate
- Rear flare set
- High clearance flat design
- Provides 5 3/4" of coverage
- Two-stage powder coat light texture finish in black

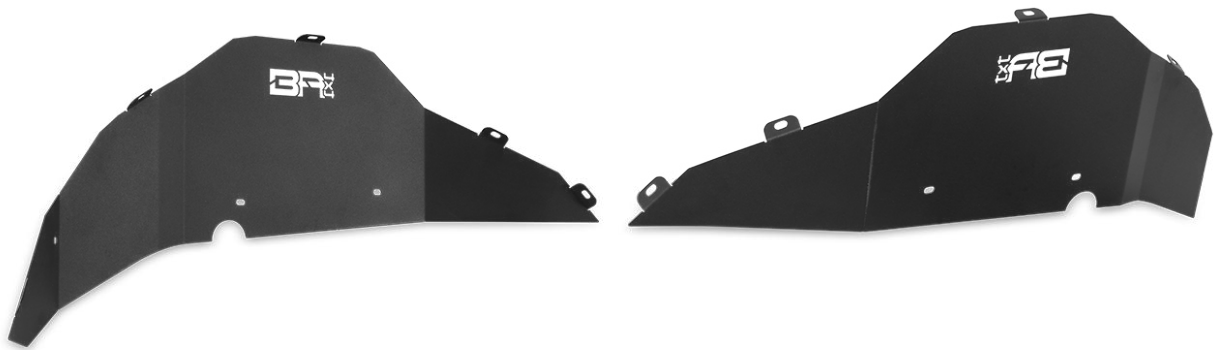

**JL-6100**  
**2018-2022 WRANGLER JL & GLADIATOR JT**  
FRONT FENDER LINERS

- Bolt on installation
- Designed to work with BA 4x4 fender flares
- Removable panel for most aftermarket hose reservoir shocks
- Protects engine bay from mud and debris
- Two-stage powder coat light texture finish in black

**JL-6101**  
**2018-2022 WRANGLER JL**  
REAR FENDER LINERS

- Bolt-on installation
- Designed to work with BA 4x4 fender flares
- Improves the look of the stock wheel wells
- Protects fuel filler from mud and debris
- Two-stage powder coat light texture finish in black

# JEEP JT REAR FENDER FLARES & LINERS

REAR FENDER FLARES & LINERS | JEEP GLADIATOR JT

## **JT-6103** **2019-2022 JEEP GLADIATOR JT** REAR FENDER FLARES

- 3/16" Steel plate
- Rear flare set
- High clearance flat design
- Provides 5-3/4" of coverage
- Two-stage powder coat light texture finish in black

**JT-6101**  
**2019-2022 JEEP GLADIATOR JT**  
**REAR FENDER LINERS**

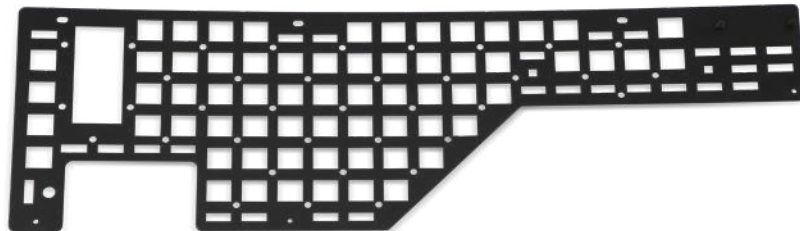

- Bolt-on installation
- Designed to work with BA 4x4 fender flares
- Improves the look of the stock wheel wells
- Protects fuel filler from mud and debris
- Two-stage powder coat light texture finish in black

# JEEP JT BED MOLLE SYSTEM

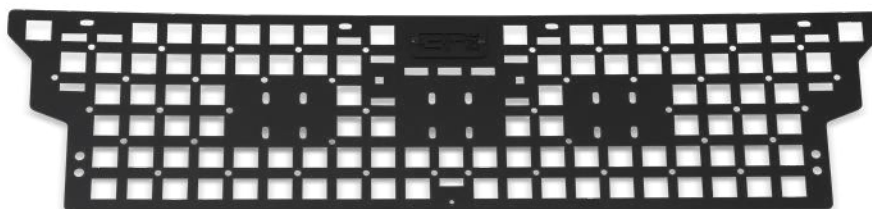

## **JT-7125** **2019-2022 JEEP GLADIATOR JT** BED SIDE MOLLE SYSTEM

- Mount Rotopax containers, Hi-Lift jack, Quick Fist Mounts, molle bags, and other accessories
- Includes Hi-Lift mounting hardware
- Mounts behind utility rail and allows full use with most accessories and tonneau covers
- 3MM formed steel
- Easy bolt-on installation
- Fits driver or passenger side
- Two-stage light texture black powdercoat finish

## **JT-7126** **2019-2022 JEEP GLADIATOR JT** FRONT BED MOLLE SYSTEM

- Mount Rotopax containers, Hi-Lift jack, Quick Fist Mounts, molle bags, and other accessories
- Includes Hi-Lift mounting hardware
- Mounts behind utility rail and allows full use with most accessories and tonneau covers
- 3mm formed steel
- 1 Pc design for maximum strength
- Easy bolt on installation
- Two stage light texture black powdercoat finish

# JEEP JK BUMPERS

FRONT BUMPER MID STUBBY | JEEP JK

## **JK-19531** **2007-2018 JEEP WRANGLER JK** FULL WIDTH FRONT BUMPER

- High clearance design
- Integrated winch plate
- 2" diameter center hoop with light tabs
- Two welded D-ring mounts
- Light mounting holes on bumper wings
- Two-stage powdercoat heavy texture finish in black

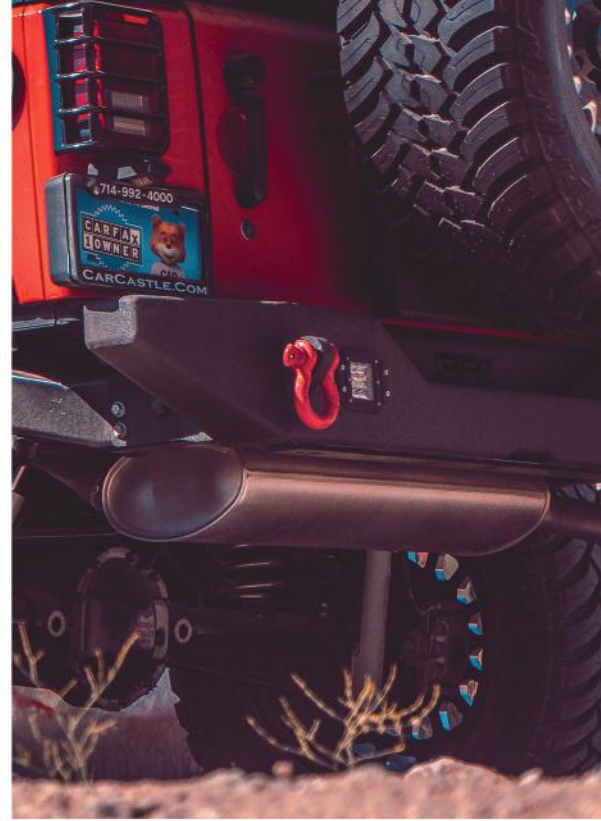

## **JK-19532** **2007-2018 JEEP WRANGLER JK** FRONT BUMPER MID STUBBY

- Mid-width design allows clearance for larger tires
- 3/16" steel plate with reinforced winch tray
- Two welded D-ring mounts
- 10,000lbs winch capacity (fits warn zeon winches)
- Fits LED style cube light, does not fit OE fog lights
- Optional skid plate sold separately (JK-5123)
- Two-stage powdercoat heavy texture finish in black

**JK-5123**  
**2007-2018 JEEP WRANGLER JK**  
 FRONT BUMPER SKID PLATE

- Attaches crash bar under front bumper
- Works with plastic OEM bumper
- Holds up to the rigors of the trail
- No drill installation
- Kick down plate to protect sway bar disconnect module
- Two-stage black powdercoat finish

**JK-2965**  
**2007-2018 JEEP WRANGLER JK**  
 FULL WIDTH REAR BUMPER WITH TIRE CARRIER MOUNT

- 3/16" steel plate construction
- High clearance design
- Optional tire carrier 5297 is sold separately
- Retains OEM tow hitch
- LED cube light cutouts
- Two-stage powdercoat heavy texture finish in black

# JEEP JL & JK TIRE CARRIERS

RTC REINFORCED TIRE CARRIER | JEEP JL

## **JL-5290** **2018-2022 JEEP WRANGLER JL** RTC REINFORCED TIRE CARRIER

- Retains single-action opening and closing of tailgate
- Constructed out of strong cast aluminum
- Reinforced hinge plate adds structural rigidity and strength to the tub and body
- Protective gaskets included to protect finish
- Mounts up to 37" tire
- 3rd brake light mount included
- Works with aftermarket and O.E. Bumpers
- No drilling required
- Durable 2-stage light textured black powder coat finish
- 3 Year finish / limited lifetime warranty

**JK-5290**  
**2007-2018 JEEP WRANGLER JK**  
RTC REINFORCED TIRE CARRIER

- Retains single-action opening and closing of tailgate
- Constructed out of strong cast aluminum
- Reinforced design prevents potential damage to the body
- Protective gaskets included to protect finish
- Mounts up to 37" tire
- 3rd brake light mount included
- Works with aftermarket and O.E. Bumpers
- No drilling required
- Durable 2-stage light textured black powder coat finish
- 3 Year finish / limited lifetime warranty

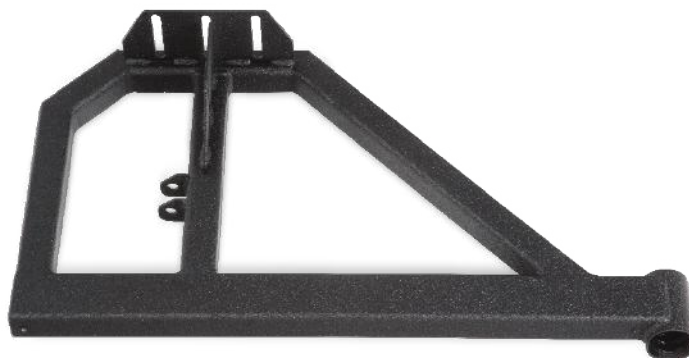

**5298**  
**2018-2022 JEEP WRANGLER JL**  
TIRE CARRIER SINGLE ACTION

- Works with JL-2965 bumper
- Steel tube construction
- HD dual bearing pivot assembly
- Single action opening and closing with the tailgate
- Tire capacity 40"
- Retains OE camera and third brake light
- Durable two-stage powdercoat light texture finish in black

**5297**  
**2007-2018 JEEP WRANGLER JK**  
TIRE CARRIER SINGLE ACTION

- Works with JK-2965 bumper
- Steel tube construction
- HD dual bearing pivot assembly
- Single action opening and closing with the tailgate
- Tire capacity 40"
- Does not accommodate factory third brake light
- Durable two-stage powdercoat heavy texture finish in black

# JEEP TJ BUMPER

FRONT BUMPER | JEEP TJ

## **TJ-19531** **1987-2006 JEEP WRANGLER TJ** FRONT BUMPER

- 3/16" steel integrated winch plate
- Single 2 hoop with two light tabs
- Skid plate for steering box
- Dual shackle plates for D-rings
- Durable two-stage powdercoat heavy texture finish in black

# JEEP JK & JL RACK SYSTEMS

HARDTOP ROOD RACK | JEEP JL

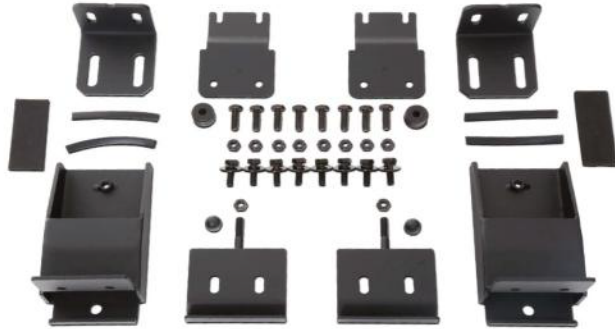

## **5160** **2007-2022 JEEP WRANGLER JK & JL** **HARDTOP ROOF RACK**

- 14 gauge steel plate
- Easy no-drill design
- Required mounting brackets Jeep JK (JK-6121) or Jeep JL ( JL-6121)
- Fits both 2 door and 4 door models
- Sits approx. 8 inches above your OE hardtop
- Weight capacity 150lbs
- Light fitment: front 50" dual row LED or multi light mount, sides: 4 cube LEDs, rear: 2 cube LEDs
- Two-stage coating finished in a light texture powder coat

**JK-6121 | JL-6121**  
**2007-2022 JEEP WRANGLER JK & JL**  
ROOF RACK MOUNT KIT

- Roof rack mounting bracket for (5160 rack)
- Fits both 2 door and 4 door models
- Weight capacity 150lbs
- Two-stage powdercoat light texture finish in black

**5147**  
**2007-2022 JEEP WRANGLER JK & JL**  
UNLIMITED INTERIOR CARGO RACK

- Easy bolt-in design
- 150lbs weight capacity
- Works with hardtop, soft top (lose retract feature), or no top
- Fits 4 door models only
- 22" clearance below rack (JL model)
- Side slots for tie down points
- Cargo area 40.5" x 19.25"

**JK-7100**  
**2007-2018 JEEP WRANGLER JK**  
4 DOOR CARGO ROOF RACK

- Constructed of 2".120 Wall steel tube
- Simple bolt-on installation with all BA bumpers
- Fits factory bumpers with slight modifications
- 4 Crossbars designed to be used with most aftermarket accessories
- Easy access to soft or hard top with removable crossbars
- 4 Front light tabs and 2 rear light tabs
- Dynamic rating of 350lb and static rating of 700lb
- Durable 2-stage light textured black powder coat finish
- 3 Year finish/limited lifetime warranty

**JK-7101**  
**2007-2018 JEEP WRANGLER JK**  
2 DOOR CARGO ROOF RACK

- Constructed of 2".120 Wall steel tube
- Simple bolt-on installation with all BA bumpers
- Fits factory bumpers with slight modifications
- 3 Crossbars designed to be used with most aftermarket accessories
- Easy access to soft or hard top with removable crossbars
- 4 Front light tabs and 2 rear light tabs
- Dynamic rating of 350lb and static rating of 700lb
- Durable 2-stage light textured black powder coat finish
- 3 Year finish/limited lifetime warranty

**JK-7102**  
**2007-2018 JEEP WRANGLER JK**  
2/4 DOOR CARGO ROOF RACK ACCESSORY MOUNT

- Mount rotopax containers, HI-Lift Jack, Quick Fist Mounts, molle bags, and other accessories
- Fits driver or passenger side
- Incorporated step pad (250lb load limit) for easy access to roof
- Durable 2-stage light textured black powder coat finish
- 3 Year finish/limited lifetime warranty

# JEEP JT, JK, & JK SIDE STEPS & RAILS

ROCKCRAWLER SIDE STEPS | JEEP JT

## **JT-4121 4 DOOR** **2019-2022 JEEP GLADIATOR JT** ROCKCRAWLER SIDE STEPS

- 2"x3" steel tube construction with a 1.5" kick out tube
- Wheel to wheel protection accommodating large tire sizes
- Easy installation using factory rock rail mounts
- Two-stage powdercoat light texture finish in black

**JL-4121 4 DOOR**  
**JL-4122 2 DOOR**  
**2018-2022 JEEP WRANGLER JL**  
ROCKCRAWLER SIDE STEPS

- 2"x3" steel tube construction with a 1.5" kick out tube
- Wheel to wheel protection accommodating large tire sizes
- Easy installation using factory rock rail mounts
- Durable two-stage powdercoat light texture finish in black

**JK-4121 4 DOOR**  
**JK-4122 2 DOOR**  
**2007-2018 JEEP WRANGLER JK**  
ROCKCRAWLER SIDE STEPS

- Added protection for the extreme user
- Wheel well to wheel well Body Armor protection
- No-drill body and pinch weld installation
- 2"x3" tube combined with kick out rail
- Durable two-stage powdercoat finish in black

**JK-4123 4 DOOR**  
**2007-2018 WRANGLER JK**  
ROCKSTEPS

- Double step areas/optional poly step pads available PN: 5123
- Tough enough for the trail
- Bolt-on installation
- Optional PN: 5120 LED light kit
- Durable two-stage powdercoat finish in black

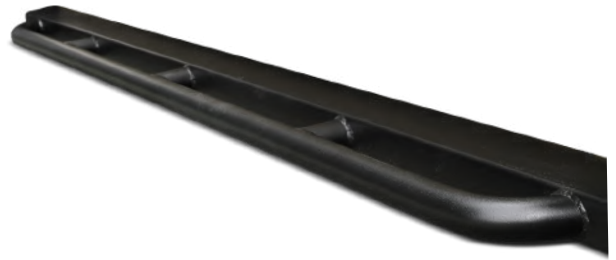

**TJ-4121**  
**1997-2006 JEEP WRANGLER TJ**  
ROCKCRAWLER SIDE STEPS

- Added protection for the extreme user
- Wheel well to wheel well body armor protection
- No-drill chassis mount installation
- 2"x3" tube combined with kick out rail
- Dual-process black powder coat finish

**WU-4121**  
**2004-2006 JEEP WRANGLER LJ**  
UNLIMITED ROCKCRAWLER SIDE STEPS

- Added protection for the extreme user
- Wheel well to wheel well body armor protection
- No-drill chassis mount installation
- 2"x3" tube combined with kick out rail
- Dual-process black powder coat finish

**TJ-4322**  
**1997-2006 JEEP WRANGLER TJ**  
TUB RAILS

- Designed to protect tub rails
- Installs above the rear fender flares
- Requires drilling for installation
- Solid installation
- Dual-process black powder coat finish
- Provides protection for the tub

# JEEP ACCESSORIES

HINGE STEP | JEEP JL

## 5143 2007-2018 JEEP WRANGLER JK BOLT ON MULTI-POINT HANDLE

- Nylon webbing and heavy-duty steel grommets
- Fits factory mounting points
- Versatile mounting options includes:
  - Front pillars, headrests, and rear roll bar
- Anti-slip handle grips
- Sold in pairs

## 5146 2007-2022 JEEP WRANGLER & GLADIATOR HINGE STEPS

- Fits 2007-2022 model JK, JL, and JT wranglers
- Easy no-drill installation
- 1/8 steel plate
- Two-stage light texture powdercoat
- 350lbs load limit
- Non-slip serrated step pad
- Included new hardware and rubber pads to protect paint

FUEL DOOR | JEEP JK

3RD BRAKE LIGHT | JEEP JK

**5165**  
**1986-2022 JEEP WRANGLER**  
LED 3RD BRAKE LIGHT

- Fits YJ, TJ, JK, and JL models
- Works with most wheel sizes 16" or larger
- Fits bolt patterns 5x4.5, 5x5, and 5x5.5
- Easy installation splicing into OE wiring (connectors included)
- 85 individual 5-watt LEDs
- IP67 waterproof rated

**JK-5120**  
**1987-2018 JEEP WRANGLER**  
ELEVATED THIRD BRAKE LIGHT

- Bolts to existing holes in the tailgate: can be seen over 37 in tires
- Utilizes DOT LED
- Light for better visibility
- Can be installed on YJ, TJ, and, JK models

**JK-5146**  
**2007-2018 JEEP WRANGLER JK**  
FUEL DOOR COVER

- Aluminum cover with an abs base
- Easy no-drill installation
- No-rattle cam-action hinge
- Black powdercoat with stainless hardware
- Non-locking gas door

**JK-6126**  
**2007-2018 JEEP WRANGLER JK**  
WINDSHIELD LIGHT BAR

- Diameter tubular light bar
- 4 Light tabs
- Bolt-on installation
- Dual-process black powder coat finish

**JK-7135**  
**2007-2018 JEEP WRANGLER JK**  
TAIL LIGHT GUARD

- Taillight guard
- Added protection for expensive taillights
- Most are no-drill installation
- Contoured to the specific vehicle taillight
- Dual-process black powder coat finish

# CHEVY SILVERADO BUMPERS & STEP

AMBUSH SERIES BUMPER | CHEVY SILVERADO 1500

## **GM-19344** **2019-2022 CHEVY SILVERADO 1500** AMBUSH SERIES FRONT BUMPER

- 3/16" And 1/4" cold roll steel
- Easy bolt-on installation
- O.E. sensor compatible
- Two welded D-ring mounts
- Non-winch compatible
- Diesel motor required intercooler shroud PN: GM-5966
- Light fitment: 30" dual row LED bar & 2 cube LEDs
- Two-stage light texture finished in black

**GM-5966**  
**2019-2022 CHEVY SILVERADO 1500**  
AMBUSH SERIES INTERCOOLER SHROUD

- Intercooler shroud for diesel engines only
- Easy bolt-on installation
- Protects from debris
- Two-stage light texture finished in black

**GM-2966**  
**2019-2022 CHEVY SILVERADO 1500**  
AMBUSH SERIES REAR BUMPER

- 3/16" And 1/4" cold roll steel
- Easy bolt-on installation
- O.E. sensor compatible
- Two welded D-ring mounts
- Light fitment: 2 cube LEDs
- Two-stage light texture finished in black

AMBUSH SERIES REAR BUMPER | CHEVY SILVERADO 1500

**GM-19336**  
**2016-2018 CHEVY SILVERADO 1500**  
ECO SERIES FRONT BUMPER

- 1/8" Thick steel plate
- Add aggressive style without weighing down the vehicle
- Easy bolt-on installation
- Non-winch capable
- O.E. sensor compatible
- Includes license plate bracket
- Light fitments: 20" dual row LED middle & 4 cube LEDs
- Durable two-stage light texture finished in black

**GM-19335**  
**2014-2015 CHEVY SILVERADO 1500**

- 3 Year finish / limited lifetime warranty

# TENTS & AWNINGS

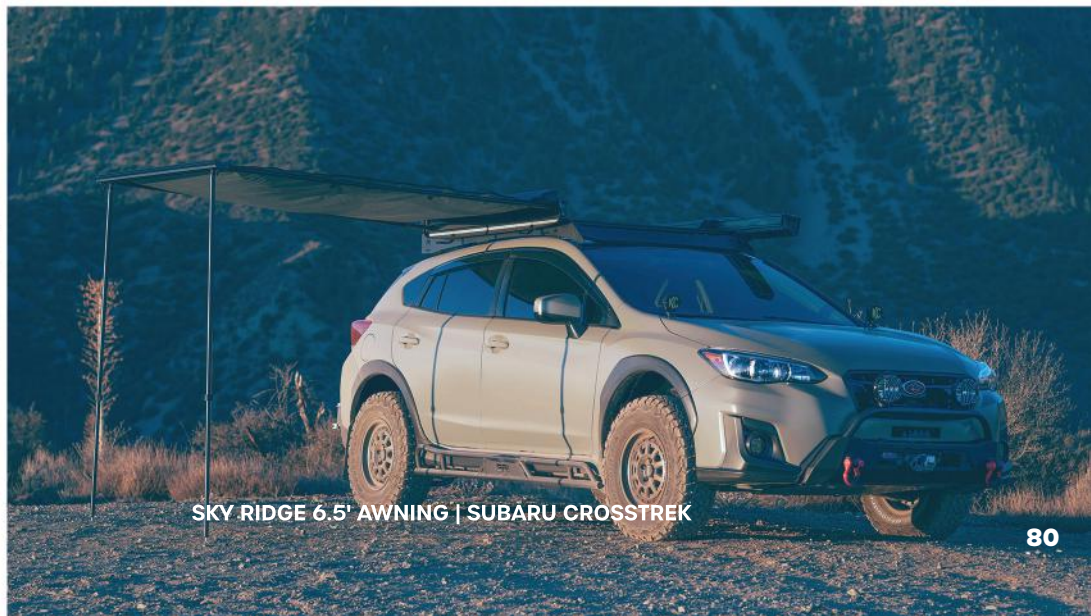

SKY RIDGE 2-PERSON TENT | TOYOTA TACOMA

## 20010 PIKE 2-PERSON TENT SKY RIDGE SERIES

- The tent walls and roof are manufactured with 280GSM ripstop reinforced polyester/cotton canvas, polyurethane coated for 2000mm waterproofing
- The separate rain fly is manufactured from 420D polyester oxford fabric, polyurethane coated for 2500mm waterproofing
- A heavy-duty travel cover protects the tent and components when folded and not in use. The cover is made of sturdy, UV resistant 680GSM/1200D PVC coated tarpaulin material with heavy-duty zippers
- Adjust privacy, natural light, and airflow with the covered entrance, skylight, and three large view windows with mosquito netting, exterior awnings, and interior zip-up closures
- Made entirely of corrosion-resistant materials including aircraft-grade 6061 aluminum framing and marine-grade stainless steel hinges and hardware
- Easy for a single person to quickly set up and take down without tools
- Heavy-duty telescoping aluminum ladder extends to 90.55" (60mm) maximum length to accommodate virtually any vehicle height or camping on uneven terrain
- The folding tent base is made of sturdy aluminum structural tubing with an insulated core and scratch resistant aluminum deck to provide a solid platform
- Comfortable sleeping accommodations for up to two persons on the 60mm thick (2.4") High-density foam mattress with removable/washable cover

SKY RIDGE 6.5' AWNING | SUBARU CROSSTREK

**20015**  
**ANNEX ROOM**  
SKY RIDGE SERIES

- Annex walls are made of 420D rip stop polyester oxford fabric, polyurethane coated for 2500mm waterproofing
- Annex floor is made of 550GSM PVC coated waterproof fabric with heavy-duty weather resistant zipper
- The annex may be set up with or without the floor installed
- Adds over 42 square feet of downstairs living space to the pike rooftop tent
- Creates a convenient room for changing clothes, removing muddy boots, storing gear, cooking or lounging, or additional sleeping space
- Entry door and two large windows with mosquito netting and solid flaps. A "back door" provides access to the vehicle's side door or truck bed

**20020**  
**6.5' AWNING**  
 SKY RIDGE SERIES

- Easily mounts to virtually any roof rack or bed rack
- Awning is made of 4420D rip stop polyester oxford fabric, polyurethane coated for 2500mm waterproofing
- Provides 43 square feet of covered space for shade, lounging, cooking, etc
- Self-contained unit includes rugged, light-weight extruded aluminum telescopic legs and arms, with twist-lock fixtures
- The heavy-duty travel cover is made of sturdy, uv resistant 680GSM/1200D PVC coated tarpaulin material with heavy-duty zippers
- Stakes and tie-down straps are included to secure the awning for use in windy and inclement conditions

FORESTER LEVEL KIT | SUBARU FORESTER

## SUBARU 2IN LEVEL KIT

- 2.0" Front and 1.5" Rear lift
- Bolt-on installation
- Stock ride quality
- Front spacers correct caster and camber

### **TORSION KEY**

- Bolt on installation
- Additional ground clearance
- Quickly return to stock
- 4140 Forged steel: stock ride quality

### **REAR BLOCK & U-BOL KIT**

- Bolt-on installation
- Stock ride quality
- Quickly return to stock
- Fits larger wheels and tires

### **COIL SPACER**

- Bolt-on installation
- Stock ride quality
- Quickly return to stock
- Fits larger wheels and tires
- Durable powdercoat finish
- Armor guard warranty
- Shock extenders included where applicable

### **STRUT SPACER**

- Bolt-on installation
- Stock ride quality
- Quickly return to stock
- Fabricated from 1/4" steel and uses grade 10 hardware
- Fits larger wheels and tires

\*\* Max Tire Size could require minor trimming or removal of factory mudguards based on rim choice. Most fitments base on 11.50 inch wide tire and 9 inch wide wheel with positive offset.

# ACCESSORIES

TRAIL GLOVES, HAWSE FAIRLEAD, & RED D-RING WITH BLACK ISOLATORS | JEEP JL

## **3203 BLACK D-RING WITH RED ISOLATORS**

- 3/4" D-ring shackle with isolators
- 4.75 ton pull rating
- Threaded shaft for easy installation
- Isolators are removable and prevent rattle
- Durable texture black powdercoat finish with red isolators

## **3204 RED D-RING WITH BLACK ISOLATORS**

- 3/4" D-ring shackle with isolators
- 4.75 ton pull rating
- Threaded shaft for easy installation
- Isolators are removable and prevent rattle
- Durable texture red powdercoat finish with black isolators

## 3216 LARGE | 3217 XL TRAIL GLOVES

- Neoprene, PVC, and nylon mixture
- Touchscreen compatibility on index
- Finger and thumb machine washable
- Double stitched padding with dual layer fingertip reinforcement
- Anti-slip palm patch

## 5136 BACKBONE HITCH SKID

- Easy to install, no tools required
- Protect your hitch, trailer wiring and rear bumper
- Adds a secure non-slip step to your vehicle
- Provides a reliable recovery point
- Black E-coat finish

## 5141-B MEGA D-RING

- 6061-T6 billet aluminum with 7/8" stainless pin
- Reversible design offers smooth finish or durable light texture finish
- Decorative bolts
- 18,000lbs capacity
- Durable light texture finish

## 5141-B MEGA D-RING

- 6061-T6 billet aluminum with 7/8" stainless pin
- Reversible design offers smooth finish or
- Decorative bolts
- 18,000lbs capacity
- Durable light texture finish

## 5139 3" X 30' TOW STRAP

- 30,000lbs capacity
- 30' X 3" tow strap
- 100% Polyester
- Protective sleeve included
- Swm in strap preventing unraveling

## 5140 HAWSE FAIRLEAD

- For winches 6-12,000lbs
- Fits synthetic rope only
- Durable anodized matte silver finish
- Mounting hardware included
- On center bolt pattern
- Non-slip serrated step pad

2IN-3IN ROLL BAR GRAB HANGLE

CAMP LAMP

C.O.R.E. LED ROADFLARE

**5142  
2IN-3IN ROLL BAR GRAB HANDLE**

- Nylon webbing and industrial-grade velcro
- Built for 2-3 inch roll bars
- Ant-slip handle grips
- Sold in pairs

**5168  
C.O.R.E. LED ROADFLARE**

- LED 9 function emergency roadside flare
- Waterproof and crush resistant
- Magnetic back and a hook for multiple mounting options
- Powered by aaa batteries (included)
- Visible up to 1 mile

**5169  
CAMP LAMP**

- Shatter-resistant nylon and polycarbonate
- Four light modes: 250lm, 500lm, 60lm, and red sos
- Includes 3AA batteries
- Mounting solutions are magnetic base and top clip
- Height is 7"

# LED LIGHTING & ACCESSORIES

## **30040** **CUBE LED** LIGHT SPOT

- Spot beam
- Durable die-cast aluminum housing
- Combined 40 watts and 5000 raw lumens
- IP67 waterproof rating
- Includes a pair of lights and a wiring harness with an illuminated switch

## **30041** **CUBE LED** LIGHT FLOOD

- Flood beam
- Durable die-cast aluminum housing
- Combined 40 watts and 5000 raw lumens
- IP67 waterproof rating
- Includes a pair of lights and a wiring harness with an illuminated switch

CUBE LED LIGHT SPOT & AMBER COVER | JEEP JL

**40020  
LIGHT BAR**  
20" LED

- Combo beam
- Durable die-cast aluminum housing
- Combined 120 watts and 8400 raw lumens
- IP67 waterproof rating
- Includes a wiring harness with an illuminated switch

**40030  
LIGHT BAR**  
30" LED

- Combo beam
- Durable die-cast aluminum housing
- Combined 120 watts and 12,400 raw lumens
- IP67 waterproof rating
- Includes a wiring harness with an illuminated switch

**40050  
LIGHT BAR**

50" DUAL ROW LED

- Combo beam
- Durable die-cast aluminum housing
- Combined 288 watts and 20,160 raw lumens
- IP67 waterproof rating
- Includes a wiring harness with an illuminated switch

**50019  
LIGHT BAR**

18" SINGLE ROW LED

- Single row
- Combo/spot/fog beam
- Sold with wiring harness and switch
- 6050 Raw lumens

**60040  
AMBER COVER**  
CUBE LIGHT

- Polycarbonate lens
- Easy snap-on installation
- Designed for BA 4x4 led lights
- Improved visibility in dust, fog, or rain
- Sold in pairs

20" LIGHT BAR | TOYOTA TACOMA

**60042**  
**AMBER COVERS**  
20" LIGHT BAR

- Polycarbonate lens
- Easy snap-on installation
- Designed for BA 4x4 led lights
- Improved visibility in dust, fog, or rain
- Multiple pieces included

**60043**  
**AMBER COVERS**  
30" LIGHT BAR

- Polycarbonate lens
- Easy snap-on installation
- Designed for BA 4x4 led lights
- Improved visibility in dust, fog, or rain
- Multiple pieces included

**60042**  
**AMBER COVERS**  
50" LIGHT BAR

- Polycarbonate lens
- Easy snap-on installation
- Designed for BA 4x4 led lights
- Improved visibility in dust, fog, or rain
- Multiple pieces included
